

Incoming First Grade Summer Reading

Welcome Incoming First Graders and Families,

The First Grade teachers are encouraging all incoming first graders to participate in the Midland Park Summer Reading Challenge as their summer assignment. Please visit the **Midland Park Public Library** or the **Godwin School Website** for information regarding the program. Parents, please take a picture of your child completing one of the BINGO activities and/ or with their summer reading star sign and send them on the first day of school. The pictures will be displayed on a very special bulletin board in the classroom and your child will receive a special prize for completing their "Summer Homework." Happy reading and we are so excited to meet everyone in September!

Best Wishes for a Wonderful Summer,
The First Grade Team
